ALTERNATION BETWEEN
JOY AND GRIEF (2)

Contract
Both Joy and Grief agree on the following points.
1. The contract is to agree that both siblings will get along and to work to maintain a relationship not to break this promise and keep to the end.
2. Stay will not use coarse words, raise their voices and resort to violence when arguing with each other.
3. If a party breaks a promise it point they have to pay the other party 10000 won.

Joy
Geez, how many years lover
Grief
Women Contract
When ever talking to another woman the other one will not talk for 1 days

Joy
Here it is!
Grief
Pocket money Contract
Both parties will not touch each other's pocket money. If a party breaks the promise he must distribute

Joy
Grief
Above the present, living will together
1. The two shall not fight with the other
2. Even if there is a time to live, the shape of the fist
Joy
Grief
Above the present, living will together
1. The two shall not fight with the other
2. Even if there is a time to live, the shape of the fist

What's with that expression?
